## WHITE OUT

Looks  
like our  
pursuit  
ends  
here.

Her  
energy  
induction  
just fixed  
our  
tracking  
device.

So  
this is  
her  
power

I

you

The  
Assassin  
army  
aren't the  
only ones  
following  
them

I  
know

Parliament  
ordered her  
transport

But...

There  
are certain  
Wizards  
who would  
lie for  
themselves

Can  
you  
find  
them?

I  
will

She's a  
Clover,  
just like  
me

But a  
Four-leaf...  
She must  
have  
always  
been  
alone

You knew  
she was a  
Four-leaf,  
didn't you?

From  
the moment  
Kazuhiko  
brought  
her

I don't  
want  
anything to  
happen to  
them

No  
neither

# NIGHT

They  
haven't  
followed  
us.

How  
did you  
do that,  
without a  
module?

I'm a  
Clover

A  
what?

A  
Four-  
leaf  
Clover.

*I wish for

*I wish

*To find  
happiness is  
with you*

Come to  
think of it,  
the name of  
this song is  
"Closer"

*To be your happiness*

You  
haven't  
told  
me

What?

About  
the  
Clever

You  
don't want  
to tell me,  
do you?

I'm  
sorry

For  
what?

You're  
injured

It's  
part of  
the job

You  
might  
get hurt  
badly.  
Kazuhiko.

If  
you're  
around  
me

Maybe  
I should  
have  
never  
been let  
out

You're  
still  
taking  
me?

A  
promise  
is a  
promise

*Take me  
Somewhere  
far from here*

*Please  
take me*

*A bird in a cage  
A bird without wings  
A bird without voice  
A lonely bird*

*Please take me*

want

Ten  
years  
ago...

...the  
government  
organized a  
nationwide  
search...

...for  
sawyer  
children.

The most  
powerful ones  
they raised.  
Three-leaf Clovers  
and  
Four-leaf  
Clovers

Sounds  
like the  
military got  
involved too.

How  
many  
were  
there?

There  
were three  
Three-leads  
at first.

One  
died  
so there  
are two  
left.

And the  
Four-leads?

Just  
me.

That's  
why there  
can only  
be one.

There were  
psychics  
in the  
military

But  
they're not  
warriors,  
are they?

To me,  
they all may  
as well be  
concerns

General Kato  
is a wizard,  
too

The wizards  
are the most  
powerful  
psychics

I don't  
know  
who could  
defeat  
them

It would  
take five wizards  
to even hope  
to win against a  
Three-leaf  
Clover.

... And a  
Four-In-1?

I'm  
alone.

## THE DESTINATION

What  
happened?

How  
transported  
is

Where  
are  
we?

We're in  
Fairy Park.

**FOOOM**

We're  
here...

...Ora.

*To find happiness with you*

*To be your happiness*

*I'm happy just to  
be with you*

*Just to see  
your smile*

*So take me*

*Somewhere far  
from here*

*Take me away*

*To happiness*

What  
are you  
talking  
about?

I'm  
sorry,  
I lied to  
you

I knew  
Ora  
I spoke  
with  
her.

I heard  
her voice,  
from far  
away

I heard  
her singing  
in concert,  
her beautiful  
voice.

You could  
hear the  
sound waves  
from her  
microphone?

It didn't  
have to be an  
amplified signal  
As long as it was  
in the air,  
I could hear it

I guess  
that's  
another  
of your  
Four-leaf  
Clover  
powers

So I  
phoned  
her

I  
loved her  
songs  
so much

Grandma Ko  
would never let me  
use the videophone  
so I only  
used audio

At first  
Oma thought it was  
a prank call,  
but she  
heard me out

We spoke a  
number of  
times

and  
became  
friends

She was  
my first  
friend

She  
taught me  
a lot of  
things

About  
the outside  
world

About  
nature

About  
her lover

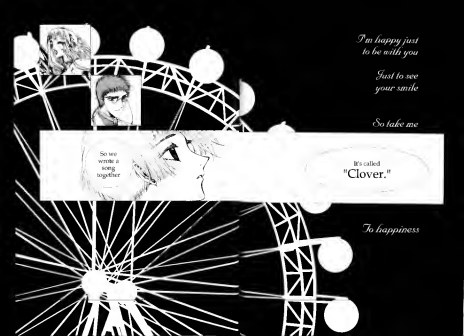

She seemed  
so happy talking  
about you

But she  
also seemed  
a little sad

She was  
so in love  
with you

But she knew  
she was going  
to die

*I'm happy just  
to be with you*

*Just to see  
your smile*

*So take me*

So we  
write a  
song  
together

It's called  
"Clover."

*To happiness*

I knew  
it was her  
dream to sing  
on a big  
stage...

So I asked  
Grandma Ko  
to arrange it  
for her.

That statue  
is exactly as I  
imagined her.

I never  
met her...

I dreamed  
that she was  
like this...

But  
then she  
died.

I wanted  
her to sing  
this song,  
not the  
others.

I wanted  
them to stop  
playing it on  
the radio

But  
Grandma  
said...

... "People are  
forgotten when  
they die,  
but their songs  
are always  
remembered "

Yllo

Who's  
singing  
that  
song?

It's me  
and  
Ora.

I  
wanted it  
to be  
her voice  
only.

Ota said  
she loved  
amusement  
parks

And  
Fairy Park  
was her  
favorite

So I asked  
Grandma  
to build it  
here...

That  
statue

I wished that  
the three of us,  
you, Ota and I,  
could come  
here one day

*I'm happy just  
to be with you*

*Just to see  
your smile*

*So take me  
Somewhere  
far from here*

*I wish  
for happiness*

That's why  
I wanted you  
to bring me  
here

But  
Ora's  
no  
longer  
alive

You  
she  
is

Here

You  
swapped them  
without a  
transport  
module?

## THREE LEAF

I  
didn't  
have  
time

And then  
it was all

and tests

They all  
wanted to  
find out about  
my powers

*I wish for happiness*

I  
used to  
think...

*I wish happiness*

that I'd like  
to visit this place  
with someone  
who didn't care  
about my  
powers.

*I'm happy just to  
be with you*

*Just to see  
your smile*

*I  
love  
you.*

Ona  
told me  
about  
you.

I always  
wanted to  
meet you.

I  
never knew  
until I met  
you.

*Do take me*

*Somewhere far

*Please take me*

I understand
